

*Hello!*

Elijah Family Homes is hosting our 7th Annual This is Our Story Breakfast Benefit on Friday, October 28, 2022, from 7:30 A.M. to 8:30 A.M at the Riverfront Hotel in Richland. We would love to have you join us! Will you support our efforts to help struggling families in Benton and Franklin Counties break the cycle of substance abuse and generational poverty?

Serving as both a fundraiser and friend-raiser, This is Our Story highlights the powerful impact of our work at Elijah Family Homes. We expect about 250 attendees to this complimentary breakfast. Your sponsorship helps subsidize the Benefit Breakfast and ensures all proceeds raised are applied directly to our programs.

Since 2005, Elijah Family Homes has provided safe, stable, affordable housing and supportive services to over 60 families. The average cost to support a family in our Transition to Success (TTS) program is \$12,000 annually. Currently, we are providing housing to 10 families and have an average of 5 families enrolled in the program while on the waiting list. Our ability to provide housing to more families is limited by our funding resources and increased housing rental costs.

According to the Institute for Family Studies:

“...children tend to do best in stable households...repeated transitions can cause stress by threatening this feeling and undermining their parents' sense of control over their lives...”  
(Sutherland, Anna. “How Instability Affects Kids.” IFS, 7 July 2014. Web.)

Families that come to us at Elijah Family Homes are committed to working hard to break the cycle of substance abuse, poverty, and past choices. They are steadfast in building new lives as they participate in the following:

- Case Management
- Regular Drug Screening
- Financial Management

We would be honored if you would sign up as an Event Sponsor for our This is Our Story Breakfast Benefit. Will you help empower more families to become valuable members of our community?

Thank you,

*Lisa M. Godwin*  
Executive Director  
Elijah Family Homes
