

VOLUNTEER FOR OUR HOUSING CLEAN UP AND REFRESH GROUP

Are you skilled in construction, home improvement, or yard work? Do you have a passion for helping others and making a tangible difference in your community? If so, we invite you to join our Housing Clean-Up and Refresh Groups!

What We Do:

Our volunteers play a crucial role in ensuring that our housing units are clean, welcoming, and ready for new occupants. As clients move out, we prepare the space for the next family in need. This involves a variety of tasks, from cleaning and minor repairs to furniture delivery. Every skill set is valuable, and your contribution will help create a comfortable and supportive environment for those in transition.

How You Can Help:

- **Cleaning:** Ensure that each housing unit is spotless and ready for the next occupant. This includes dusting, vacuuming, mopping, and sanitizing surfaces.
- **Minor Repairs:** Use your construction skills to fix any minor damage or wear and tear. This can include patching walls, fixing leaky faucets, or replacing light fixtures.
- **Yard Work:** Maintain the outdoor areas by mowing lawns, trimming hedges and general landscaping.
- **Furniture Delivery and Setup:** Help transport furniture to the housing units.

If you're ready to make a difference and share your skills, we would love to have you on our team. Whether you can help with cleaning, repairs, yard work, or furniture delivery, your contribution is invaluable.
