

JOIN OUR CHILD CARE WATCH TEAM

Make a Difference While Having Fun!

We invite you to join our Child Care Watch Team and help us provide a safe, fun environment for children while their parents attend our monthly community meeting. Our meetings take place on Tuesday evenings from 6:00 to 7:30 pm, and we need your support to make this possible!

- Provide fun activities to engage with children through games, crafts, and storytelling in a dedicated room.
- Help kids socialize and make new friends in a safe and welcoming environment.
- Be a role model and provide a nurturing space for children to thrive.

We are looking for 5-8 enthusiastic adults to join us. With 35-55 kids attending, your help is crucial in ensuring a safe and enjoyable environment for everyone.

We look forward to having you as part of our Child Care Watch Team!
